Compliance Over Condemnation

It is the policy of the State of Texas and the purpose of the *Public Accountancy Act (Act)* to ensure, among other things, that CPAs licensed in Texas maintain high standards of competence, integrity, and learning. The *Act* grants the Texas State Board of Public Accountancy (Board) the authority to administer its provisions, and to adopt those rules necessary or advisable to administer the *Act*. The *Act* also grants the Board the authority to create committees that consider matters relating to the enforcement of the *Act* and the *Rules* and make recommendations to the Board regarding those matters.

The Board's regulatory philosophy is "compliance over condemnation." If the Board can achieve voluntary compliance with the *Act* and Board *Rules* without discipline, it will make every effort to do so. There are instances, however, where the licensee either chooses to ignore the *Act* and Board *Rules* or the licensee's actions demonstrate a substantial lack of competence. In these cases, disciplinary action is appropriate. You can find the most recent versions of the *Act* and the *Rules* through links on the Board's website:

www.tsbpa.texas.gov.

Section 901.501 of the *Act* lays out the disciplinary powers granted to the Board. Under that provision, the Board may take any of the following actions:

- (1) revoke a certificate, firm license, or practice privilege issued under this chapter;
- (2) suspend under any terms a certificate, firm license, practice privilege, or license issued under this chapter for a period not to exceed five years;
- (3) refuse to renew a license;
- (4) place a license holder on probation;
- (5) reprimand a license holder;
- (6) limit the scope of a license holder's practice;
- (7) require a license holder to complete a peer review program conducted in the manner prescribed by the Board;
- (8) require a license holder to complete a continuing education program specified by the Board;
- (9) impose on a license holder the direct administrative costs incurred by the Board in acting under Subdivisions (1) through (8);
- (10) require a license holder to pay restitution as provided by *Section 901.6015* of the *Act*;
- (11) impose an administrative penalty under Subchapter L; or
- (12) impose any combination of the sanctions provided by this subsection.

The Board exercises its disciplinary powers through Agreed Consent Orders (ACOs) and proposals for

decision (PFDs) that are approved by the Board. PFDs result from either default hearings before the Board's executive director or before the State Office of Administrative Hearings.

A recent analysis of disciplinary actions taken by the Board over the last 10 years by Board staff showed the following common acts or omissions that led to violations of the *Act* and *Board Rules*:

Top 5 Rule Violations	Description	Number
501.60	Auditing Standards	61
501.93	Responses	50
501.90(4)	Discreditable Acts – (4) final conviction of a felony/ imposition of deferred adjudication/community supervision in connection with a criminal prosecution of a felony under the laws of any state/U.S.	48

501.90(7) (tie)	Discreditable Acts – (7) suspension/revocation of or any consent decree concerning the right to practice before any state/federal regulatory/ licensing body for a cause which in the opinion of the board warrants its action.	45

The following chart reflects the number of Board Orders in which CPAs were sanctioned from 2014 until the present:

Year	ACOs	PFDs	Default	Total

2015	41	1	2	44

UNAUTHORIZED PRACTICE OF PUBLIC ACCOUNTANCY

Help Us Identify Unlicensed Individuals and Firms Offering Accounting Services

Over the last three years, the Board's Unauthorized Practice of Public Accountancy Program has identified more than **1,700** unlicensed individuals and firms claiming to be CPAs or offering accounting or attest services to the public.

Although this program has been very successful, we know that there continues to be false or misleading advertising. There are approximately 70,000 active licensed CPAs in Texas who can help protect the public from individuals and firms misrepresenting their qualifications.

If you suspect websites, signage, business cards, letterheads, or other marketing materials that are false or misleading, you may report it by calling:
