Intergenerational Ceremony Celebrates CPAs

The Texas State Board of Public Accountancy (TSBPA) organizes a swearing-in ceremony twice a year for new CPAs who complete the CPA Exam in Texas. Over 2,000 people attended the most recent ceremony at the Palmer Events Center in Austin. After working so hard to study and pass the CPA Exam, the ceremony provides a wonderful experience for candidates to celebrate and recognize this achievement with their family and friends, who sit in the audience and cheer them on as they walk across the stage to receive their long-awaited and hard-earned

CPA certificate from a Board member. A very high percentage of candidates sit for sections of the CPA Exam more than once, so it is a great achievement to be eligible to receive the CPA certificate. Texas candidates who earned the 10 highest cumulative scores on the CPA Exam after taking each section only once within 12 months of their initial testing date are recognized at the event. The American Institute of Certified Public Accountants Elijah Watt Sells award winners are also recognized at the event.

Intergenerational Ceremony -continued from front page-

“Attending the swearing-in-ceremony was the perfect capstone to symbolize my transition from school and studying into life as a full-time CPA,” said Megan Alexander, CPA, after attending a TSBPA swearing-in ceremony as a top-scoring candidate. “It was great to experience that with my fellow candidates and celebrate the milestone with my family. I recommend that anyone who can make it attends!” Alexander remarked.

Immediate family members who are active licensed CPAs are encouraged to present the CPA certificate to their loved one at the ceremony. It is heartwarming to witness parents, or sometimes grandparents, proudly giving a certificate and a hug onstage to their child or grandchild. Some families have multiple generations of CPAs!

“I am so pleased I attended the ceremony,” said Jerry Williams, a CPA who has maintained his license for 50 years. “... my son wanted me to hand him his certificate. I was impressed how well-organized it was. Mr. Treacy kept it moving. My guests were very impressed. Thanks,” Williams wrote in an email to the TSBPA.

“I was also inspired by speaking with some of the 50-year licensees recognized at the ceremony. It was incredible to hear about their dedication to the profession and the longevity of their careers.” —Molly May, CPA

Did you know that the Board’s swearing-in ceremonies are not just for newly-minted Texas CPAs? The Board honors and pays tribute to another special group of licensees — CPAs who have been licensed in Texas for 50 years! In June 1998, the Board started honoring individuals who have been licensed for 50 years and it has become one of the highlights of the ceremony. For the past 44 swearing-in ceremonies, the Board has asked those Texas CPAs who have maintained their licenses for 50 years to join the event and be recognized. These CPAs have license numbers that range from 013850 to 015203, compared to our newest CPAs at now higher than 128,900!

Being licensed for 50 years is quite a distinction and a career milestone. The 50-year honorees are dedicated to the profession and are an inspiration to all of the new CPAs. The TSBPA is grateful for the legacy they have created and the roads they have paved with honor and integrity. Attending the ceremony is a great opportunity for honorees to reconnect with former coworkers and friends. The 50-year licensees also have a great deal of knowledge and experience to share with their new colleagues, and they serve as role models and mentors. New licensees are encouraged to network and mix and mingle with their older associates after the ceremony.

“Everyone was so friendly and helpful,” wrote 50-year honoree, Jacque Gilliam, in a thank you email to the Board. “Also several of the new CPAs came over to speak to me and congratulate me. Of course I congratulated them as well.

Thank you so much. I know it takes a lot of time to coordinate and produce this program. I am very appreciative,” Gilliam wrote.

Molly May, CPA, who was recognized as a top-scoring candidate at a TSBPA ceremony also took a moment to share her gratitude. “It was an honor to be recognized as an outstanding candidate and receive my CPA certificate at the Texas State Board of Public Accountancy swearing-in ceremony this weekend,” she wrote. “I was also inspired by speaking with some of the 50-year licensees recognized at the ceremony. It was incredible to hear about their dedication to the profession and the longevity of their careers. I appreciate the work of the folks at the TSBPA and the TXCPA who put on the event and gave me and my fellow newly-licensed CPAs a warm welcome to the profession,” wrote May.

The Board conducted its very first swearing-in ceremony in November 1981. On that occasion State Senator O. H. “Ike” Harris of Dallas, co-author of the 1979 Public Accountancy Act (the Act), delivered the keynote address. He shared the podium with past TSBPA Chairman Don M. Lyda, TSBPA Chair-

man Oscar E. Reeder, and Charles T. Zlatkovich, President of the Texas Society of CPAs. Previously, new CPAs received their certificates from a Board member at local Texas Society chapter meetings. In order to administer the statutory oath featured in Section 12 of the Act, the Board decided to hold a formal swearing-in ceremony in Austin where all newly-certified accountants could be sworn in and honored and recognized for their achievements. The Oath of Office is the final step in becoming a Texas CPA and is required by the Act, which is the law that authorizes people to become a CPA and governs their practice after becoming licensed. This legal oath commits Texas CPAs to abide by the Act and the *Rules of Professional Conduct*. During ceremonies, the Board imparts guidance that the first and most important responsibility of a CPA is to protect the public and to adhere to the highest ethical standards of the profession.

The TSBPA truly appreciates being able to host this memorable event to honor and pay tribute to the newest Texas CPAs and Texas CPAs who have maintained their licenses for 50 years. This recognition, and the achievement it represents, is a source of great satisfaction, for the newly-minted CPAs, the 50-year honorees, and to their families, friends, and colleagues. If you ever have the opportunity to attend the ceremony, whether it’s to cheer on a family member, colleague, student, or to recognize your 50-year career milestone, we strongly encourage you to attend! 🎉

Swearing-In Ceremony

On December 13, 2025, the Texas State Board of Public Accountancy (TSBPA) held a swearing-in ceremony to honor and pay tribute to the newest Texas CPAs. There were 791 individuals eligible to receive their certificates and take the Oath of Office at the biannual TSBPA swearing-in ceremony. Congratulations and welcome to the profession!

Several outstanding candidates who passed all parts of the CPA Exam at the initial sitting within 12 months and had the 10 highest cumulative scores were recognized at the TSBPA swearing-in ceremony. Ryan Durbin gave the top-scoring candidate speech. From L-R: Jonathan Keyes, Rachel Fossen, Zachary Cox, Rachel Norris, Stephanie Gaytan Guei, Ryan Durbin, Preston Belt, Andrew Mai, Braden West, and Maryna Johnson. The TSBPA congratulates all of the outstanding candidates for their achievements.

TSBPA Board members and Executive Director William "Bill" Treacy welcomed new CPAs to the profession and presented their certificates at the swearing-in ceremony on December 13. Thank you for honoring and paying tribute to the newest Texas CPAs. From L-R: Kenneth Omoruyi, Thomas Neuhoff, William Treacy, Susan Warren, and Renee Foshee.

A very special thanks to the TXCPA Austin members who assisted as ushers at the swearing-in ceremony. TXCPA Austin President Jeremy Myers also volunteered. From L-R: Tony Ross, Jeremy Myers (Chapter President), Lara Akinboye, Aarika Anderson, Emily Lewis, Nancy Foss, and Larry Stephens.

A Quick Guide to Retired Status

Last year, 1,202 Texas certified public accountants retired for the first time. It is important to note that if you are retired or are claiming a disability status you are not required to complete continuing professional education (CPE), nor do you need to complete any additional forms making such a request. Simply make the retired/disabled selection when you renew your license and pay the \$15 fee. It is a minimal financial charge to keep your license current and in good standing. When you take retired status, you still have a license and may use the CPA designation accompanied with the word “retired.” For instance: Jonathan Smith, Retired CPA.

The Texas State Board of Public Accountancy (TSBPA) is often asked by licensees “When can I take retired status?” And “What accounting services may I provide after I retire?” Under Board *Rule 515.8*, a licensee who is at least 60 years old and has affirmed that the licensee has no association with accounting may be granted retired status at the time of license renewal. The following services would be considered to have an association with accounting:

- Providing bookkeeping services;
- Providing management or financial advisory, or consulting services;
- Preparing tax returns;
- Providing advice in tax matters;
- Providing forensic accounting services;
- Providing internal auditing services; and
- Providing litigation support services.

If the licensee in retired status provides the accounting services listed above for compensation, they may jeopardize their retired status. The licensee in retired status may perform the services listed above as long as they are uncompensated and the licensee maintains their professional competency.

A licensee in retired status may also provide volunteer services, such as:

- Serving on a Board of Directors;
- Serving on a Board of Trustees;
- Participating in a government-sponsored business mentoring program, such as the Internal Revenue Service's Volunteer Income Tax Assistance program, or the Small Business Administration's SCORE program; or
- Participating in an advisory role for a similar charitable, civic, or other non-profit organization.

License Reinstatement

If your license has lapsed, the *Public Accountancy Act* prohibits the use of the CPA designation. The public can look up your license standing on the Board's website. If you decide to reenter into the workforce, please do the following:

- Notify the Board and request a current license renewal notice;
- Pay the license fees, including back fees and late fees for the period since your last payment;
- Meet the CPE requirements for the period since you were granted the retired status, or let your license lapse, as required by §523.112 of the Board *Rules* (relating to Required CPE Participation).

If you have any questions you can contact the Licensing Division: (512) 305-7853, Licensing@tsbpa.texas.gov, or the Enforcement Division: (512) 305-7866, Enforcement@tsbpa.texas.gov.
