

**Board Approved Ethics Courses  
Meeting Education Requirements for the  
Uniform CPA Examination**

**January 29, 2026**

**Board Rule 511.58(c) – Related Business Subjects requires the completion of a three-semester hour Board-approved standalone course in accounting or business ethics to be eligible for the Texas CPA Certificate.** The ethics course is not required to take the CPA Examination. For additional information on the requirements, refer to [Texas Administrative Code \(state.tx.us\)](https://www.state.tx.us) The following courses listed are recognized by the Board as meeting this requirement.

**NOTE:** Courses that contain the ethics rules of the AICPA, and the SEC may be considered to meet the ethics course requirements. Courses that are not shown on the following list may be considered after information documenting the requirements is provided and approved.
